## About Catholic High School Choir

The Catholic High School Edward Becheras Choir is a premier all-male secondary school choir from Singapore. Its repertoire includes sacred songs, new choral music, folk song arrangements and hits from musicals. In the last few years, the choir has emphasised giving back to the community through video tributes to medical and teaching staff, as well as spreading festive cheer during the Christmas season through carols. As part of a full school comprising both primary and secondary sections, the choir also regularly engages primary students in singing activities.

The choir has achieved excellence consistently at the biennial Singapore Youth Festival organised by Singapore's Ministry of Education, achieving the Distinction award again in 2023.
